

Addison Community Garden Project 2024 Plot Lease Agreement

This 2024 Plot Lease Agreement (“Agreement”) is made between Plot Leaseholder who is identified below and the Addison Arbor Foundation (“AAF”).

Background and Definitions.

AAF established the Addison Community Garden (“Community Garden”), in cooperation with the Town of Addison, to provide Addison residents an opportunity to garden in an urban community setting. The secondary purpose is to encourage 20 percent of garden production be donated to the Metrocrest Services Food Bank.

“You” or “your” refers to the Plot Leaseholder.

“We” or “us” refers to AAF.

Community Garden Management.

AAF has and retains overall administrative responsibility for the Community Garden. AAF appoints one volunteer Garden Leader who provides the day-to-day operational management of the Community Garden. The Garden Leader may appoint one or more volunteers to assist in managing the Community Garden. The Garden Leader is responsible for ensuring the plot leaseholders are fulfilling their responsibilities and following the rules and guidelines in this Agreement and for providing written notices of violations and/or action items to the plot leaseholders as necessary. The Garden Leader notifies AAF of any changes in plot leaseholders, requests from residents to be placed on the plot waiting list, any issues and any supply, maintenance and improvement requests on an ongoing basis or when requested by AAF.

You, the Plot Leaseholder, agree to cooperate with the Garden Leader and AAF and to comply with the Community Garden Rules and Guidelines outlined below so that all plot leaseholders can garden productively and enjoy the Community Garden.

Financial Considerations; Plot Lease Fee.

AAF makes every effort to accumulate sufficient funds to handle maintenance and supply requirements as they arise.

AAF determines the amount of the plot lease fee in advance of each calendar year by taking into consideration anticipated expenses and maintaining reserves for unanticipated expenses and any garden improvements. The plot lease fee for calendar year 2024 is \$125.00, is due in advance and is nonrefundable. The amount of the fee is subject to change and is reviewed annually by AAF.

Community Garden Rules and Guidelines.

1. You must be a resident of Addison, Texas, and at least 18 years old to be a plot leaseholder in the Community Garden. You must be a member of the Addison Athletic Club and maintain your membership in good standing.
2. You must keep your individual plot clear of weeds and dead or overgrown plants. In addition, you must maintain and keep the area 5 feet around the perimeter of your plot (or half the distance to any adjoining plots) clear of weeds and debris. This can be done on your own time or as part of scheduled Community Garden workdays. In addition, you must assist in maintaining the other common areas (i.e., around the pavilion, shed and open areas) and to participate in at least four scheduled workdays per year (or an equivalent amount of time on your own if you are unable to participate on the scheduled workdays).
3. Continuously plant vegetables, fruits and companion plants by succession planting, mulching all soil with organic matter and using proper watering techniques. Failure to do so shall constitute an abandonment of the plot.
4. Plan your garden layout so that your plants do not shade your neighbor's plot.
5. You may not plant illegal or invasive plants, and you may not plant trees.
6. Never leave the plot with bare soil or with dead, unwanted or overgrown plants. During the winter, level the soil, mulch the plot and maintain cold weather plants or cover crops.
7. You are responsible for regularly clearing and properly disposing of dead or overgrown plant material.
8. Dispose of diseased plants in the trash bins.
9. Use of organic products is strongly recommended and preferred. Neither the Community Garden nor AAF warrants that a plot is organic; however, we do request the use of commonly accepted natural products:
 - a. Fertilizer: Organic, water soluble, granular or liquid. You may request to have other products evaluated.
 - b. Disease and Pest Control: Organic products and methods are strongly encouraged. You may request to have other products evaluated.
 - c. Mulch: Use only plant based mulch, including native shredded wood or wood chips. You may also use leaves or winter cover crops (provided by Plot Leaseholder).

- d. Compost: No one may compost on Town of Addison property. If you compost at home and would like to use that composted material on your plot, you may do so if cat and dog feces are not composted.
10. Water is provided by the Town of Addison or from rain barrel collection. Do not water to the point of runoff. Soaker hoses and mechanical timers are permitted. No programmable timers are allowed. When watering, only water your plot(s).
11. You must keep the Community Garden litter-, tobacco- and drug-free.
12. Use garden paths and do not step on garden beds or plot soil.
13. To maintain the structural integrity of the plots and their structures, do not move or adjust the retaining wall blocks, including temporary moves to facilitate anchoring of netting or other materials, and do not remove soil other than for purposes of amending or immediately replacing the soil in the plots.
14. Any signage must be tasteful and not contain language or images that may be construed as distasteful, offensive, controversial, disparaging, religious or political.
15. You are encouraged to donate 20 percent of the production from your plot(s) to Metrocrest Services Food Bank by placing harvested crops in the designated area within the shed.
16. If you are in violation of any of the above, the Garden Leader or a representative of AAF will provide written notice by email of the violation(s) and the corrective actions to be taken. You must correct any violation(s) within 14 days of the written notice of the violation(s).
17. If you (a) fail to take corrective action within 14 days of written notice of violation(s) or action items; (b) abandon a plot as described in paragraph 3; or (c) no longer want the plot, AAF and/or the Garden Leader will notify you that this Agreement is terminated.
18. If you no longer live in Addison, you must notify the Garden Leader immediately.
19. Renewal of a plot lease is not automatic and is at the discretion of AAF.

General Provisions.

Plot Leaseholder understands that the Town of Addison and AAF do not assume liability for the actions of the gardeners or their guests in performing gardening and maintenance in the Community Garden. Each Plot Leaseholder must sign a Release of All Claims form and any other documents required by the Town of Addison or AAF.

The Town of Addison or AAF may establish additional rules, guidelines, regulations and/or standards for participating, working and/or volunteering at or in connection with the Community

Garden and may amend the provisions, rules and guidelines of this Agreement at any time. Plot Leaseholder agrees to comply with any such new or amended rules, guidelines, regulations, standards and provisions.

Plot Leaseholder agrees that written notices under this Agreement may be made electronically to the email address provided by the Plot Leaseholder.

This Agreement is governed by and construed under the laws of the State of Texas, without reference to its conflict of law provisions, and venue for all matters, claims or proceedings arising from or related to this Agreement or the Community Garden is Dallas County, Texas.

All plot leases must be approved by the Garden Leader and AAF. When approved, this Agreement is effective from January 1, 2024, or the date Plot Leaseholder submits the lease, the release of all claims and payment of the plot lease fee if later, through December 31, 2024, unless terminated earlier.

By signing below, I, the Plot Leaseholder, represent and confirm that (a) I am a current resident of Addison, Texas; (b) I am at least 18 years old; (c) I am a member of the Addison Athletic Club in good standing; (d) I have carefully read and agree to the terms of this Agreement; and (e) I have read, signed, and agree to the terms of the Town of Addison's Release of All Claims.
